

Helpful Hints searching for Revit and CAD symbols

- 1) Use a single keyword left of the submit button.
 - a. Examples
 - i. Doni
 - ii. Pirouette
 - iii. Aristotle
 - iv. Revit
- 2) Use the optional search box right of the submit button to refine your search and limit the number of items displayed.
- 3) Make sure the optional search is cleared if no items are displayed.
- 4) Use Product Matrix View
